

High Trails

IML – Walking leaders. Summer Work

We are looking for **qualified IML's** to lead adult groups in the Alps. There are a variety of trips potentially available; camping and hotel based Tour du Mont Blanc as well as centre based trips in the Chamonix Valley. There may well be other trips available too.

Dates – The whole season runs from mid-May to mid-October and the high season is from mid-June to mid-September. We are interested in leaders who would like to work all durations of contract but longer contracts would suit us better.

Principal duties – leading groups of adults on fixed itinerary trekking holiday. Off the hill there would also be tour management duties.

The Trips: We, High Trails, are a business to business operator and our principle client is Exodus Travels www.exodus.co.uk. The majority of the work that we supply will be leading Exodus trekking holidays.

Conditions – We pay monthly. On trip there are very few expenses as all accommodation, main meals, insurance and travel to and from Europe are included. You should also receive tips.

There is a lot more to say. If in principle you are interested please email us on info@hightrails.co.uk and we can give you more information about the position and arrange a time to chat.

We look forward to hearing from you,

Mark and Carey Faulkner
